* Unrestricted income includes: plate and envelope collections, online giving, donations, fundraisers, etc.

** Restricted income includes: sales from Parish Thrift Store (supports Religious Education) and the Building Fund

The Finance Committee apologizes for the absence of financial status reports the last few months.

This is the first report since February 2019.

The table above indicates the financial status through June 30, 2019 and represents annual totals for Fiscal Year 18/19. Thanks to the one-time generous donation of a parishioner and a small amount from the parish reserves, the parish ended the fiscal year with a positive balance.

In comparison to last Fiscal Year (17/18), the income was slightly higher this fiscal year than last and the expenses were slightly lower. Parishioners donated more than \$40,000 to the Building Fund this fiscal year which helped with repairs and maintenance to the church, hall and rectory along with sprucing up the parish for the Centennial Celebration. Thank you to all parishioners that continue to support the parish and increased their contributions!

The Together in Mission 2019 pledges and contributions are still below the goal by 18%. If you have not done so we request that you please consider participating at whatever level you feel comfortable as soon as possible. The parish office can assist you if you have lost your pledge envelope.

The Fiscal Year 19/20 budget has been submitted to the Los Angeles Archdiocese. In order to balance projected expenses without further dipping into reserves, it is necessary to increase contributions across all sources by approximately 10%. If you can find it within your means to increase your regular contributions by 10% or more this would greatly assist the parish meet its financial obligations.

God Bless
